

## Found Objects Assignment

Dear Parents

In our music program, we are learning about how sound is made.

As a part of our study, we have been exploring sounds made by kitchen utensils.

Next week we would like students to bring something from their own kitchen. Here are some suggestions.

*Saucepan & spoon (for beater), saucepan lids, plastic tubs (such as 500 ml or 1 litre yoghurt containers etc), wooden spoons, plastic jar/container filled with rice/dried beans/pasta, cooling rack.*

This lesson will be on \_\_\_\_\_ at \_\_\_\_\_

We thank you for your assistance

## Home-made Instrument Assignment

Dear Parents

In our music program, we are learning about how sound is made.

As a part of our study, next week we will be making 'shakers'.

We would like the students to bring along to school a container of some kind. Here are some suggestions.

Possible containers:

*Bleach bottles, small or large juice bottles, yoghurt tubs, lunch box, film canister, 'Pringles' tubes, tins*

**Note: all containers need lids; no glass**

This lesson will be on \_\_\_\_\_ at \_\_\_\_\_

We thank you for your assistance
