

Late for School Blues

Late for School Blues

Here's my story, strange but true
It could be your story, too
One bad day I broke the rules
One day I was late for school

On the way the car broke down (*Ooh – late for school*)
In a busy part of town (*Ooh – late for school*)
Then a flying saucer come (*Ooh – late for school*)
Took away me and me Mum (*Ooh – late for school*)

Instrumental break

Flew us to their Martian world (*Ooh – late for school*)
Meet their Martian boys and girls (*Ooh – late for school*)
Didn't come back till half-past two (*Ooh – late for school*)
That's why I was late for school (*Ooh – late for school*)

Instrumental break
