

## Counting the Beats

If you haven't already learned about "counting the beats", have a look at the activities [here](#) before trying this puzzle.

Tabitha, Hannah and Chester have been collecting swap cards, but they have dropped them all and muddled them. See if you can help these cool cats sort them.

**Hannah** has collected swap cards that are worth **2 beats**. Colour them **blue** so that she can find them.

**Tabitha** the tabby cat has collected swap cards that are worth **3 beats**. Colour them in **yellow** so that she can find them.

**Chester** the Cheshire cat is always greedy. He has collected swap cards that are worth **4 beats**. Colour them in **red** so that he can find them.
