From

"Music Craft for Cool Cats - Preliminary Book B"

This is the 4th book in our Music Theory range and completes the Cool Cats Series for this level.

- * The AURAL component of the Music Craft Preliminary level; each book contains 2 audio CDs.
- * Whilst being geared towards the AMEB exam, the book is still perfectly suitable for general classroom tuition.
- * Activities are child friendly and fun to do.
- * Complete FREE teacher notes are available on the website – suggestions for getting the most out of this resource; suggestions for exam preparation and for how to take students beyond the syllabus.

Unscramble each word to give an Italian word relating to tempo. Then match each word to its meaning.

nadnate		<input type="text"/>			lively and fast
dateroom		<input type="text"/>			at a moderate speed
goidaa		<input type="text"/>			going, walking, moving
lerlago		<input type="text"/>			at ease, slowly

Write the four words in order from slowest to fastest.
