interlude

Hey you! ... Who, me?

You're part of the community

Who, me? ... Yes you –

And you, and you, and you, and you

You won't believe me but it's true

Water's a big part of you

Like every son and every daughter

Seventy per cent pure water

interlude

Water, life giver

Water, storm bringer

Water, life giver

Turn off the tap, turn off the tap

Turn off the, turn off the tap, tap, tap

Turn off the tap, turn off the tap

Turn off the, turn off the tap, tap, rap
