Chester's Cool School Band story

Part 1

On Monday morning, Chester (**cool**)

Left his house,

Closed the gate behind him (**eeeeh, tongue click**)

And walked to school, scattng. (**zing-a zang-a, zing-a zang-a, zing-a z-zang**)

No matter when he left

The railway gates would always close just as he got there (**ding ding ding ding ding**)

And he'd wait for the train to go by. (**too-a-oot**).

He walked up the hill, (**ascending whistle**)

Patted Mrs Bando's cat, (**prrr**)

Walked down the other side (**descending whistle**)

And then ran to school,

Arriving just in time for the assembly. (**knee pats - tika tika tika tika tika tika taa and phew**)

At the assembly

The principal, Mr Stern, (**humph, humph, humph-humph, humph**)

Gave a little speech

And the Vice Principal, Mrs Prim,

Who was always sniggering, (**sss, ss-ss, sss ss-ss, ss-ss, sss**)

Made the announcements.

Then everyone went off to class.

Chester's music class was with Mrs. Crotchet,

Who was always shushing everyone. (**click, ssh, click, ssh, click, ssh, click, ssh-ssh**)

The students and teachers were rehearsing for a jazz concert

To be given on Thursday, straight after assembly.

When school was over, Chester (**cool**)

Walked home, still scattng. (**zing-a zang-a, zing-a zang--a, zing-a z-zang**)

He went up the hill, (**whistle**)

Patted Mrs. Bando's cat, (**prrr**)

Then walked down the other side. (**whistle**)

The railway gates closed just as he got there (**ding ding ding ...**)

And he waited for the train to go by. (**too-a-oot**)

When he got home, Chester (**cool**)

Closed the gate behind him (**eeeeh, tongue click**)

And went inside his house.
